Baton Rouge Phi Mu Alumnae Chapter

Spring 2021

OCTOBER 2020

Harvest Wreath Arrangement Fundraiser for CMNH >>>

Several members enjoyed a beautiful Sunday afternoon on the patio at Karen Simmons' beautiful home. Roz from BR Succulents assisted us with this workshop. A portion of our fee went to support our CMNH. It was a great way to bond and still be safe.

NOVEMBER 2020

<<Food drop off for GBR Food Bank

The alumnae collection of canned goods and other staple items was a great success. Thanks to all who participated !

November 2020

<< Exam Bags for Alpha Eta

The purchase of Exam bags is a fundraiser that solicits the Alpha Eta parents. The monies earned benefit the Cecil Caldwell Scholarship that is available for an Alpha Eta member. The bags were assembled and delivered to the Phi Mu House the weekend before Thanksgiving so the girls could have them while studying for finals. Thanks to Gwen Henry for taking care of this again this year!!

## DECEMBER 2020

Our first in person gathering this year was a big hit. We chose to gather at BRQ on their new patio. It was such fun catching up and enjoying the yummy appetizers. Thanks to those that attended after the pandemic restrictions were relaxed in time for us to hold our event.

We have been able to engage and embrace new ways of socializing and communicating all while doing good works. We hope to see you soon.
